SLIPS, TRIPS AND FALLS

We have noticed an increase in the number of children slipping in the playground. One of the main reasons is that children are wearing summer shoes which are too big or which do not do up securely. This is leading to tripping. Also, the soles are often worn away and no longer have any grip. Please can you check your child's shoes, particularly girls, as even though we are nearing the end of term, we need to know that all children have safe footwear.
